The NWO is Targeting Your DNA and Biofield – Video #62

The core of surveillance and remote control of the public is the human biofield or aura. The Deep State and its agencies/corporations actually use people as nodes on their networks, called WBAN (Wide Body Area Network) and PAN (Personal Area Network). They are routing their data through your tissue and have the ability via wireless remote control of your biofield to stop your ability to think, quell your free will and induce complete behavioral modification. No need for a brain chip.
